

## Project Scientist/Project Associate Position (Temporary) Opening

(GT-PS/PA-MMD-01-2022-23)

Number of Opening: 1

Location: Bangalore

Duration: 6m – 1y

Last Date of Application: 25.01.2023

### Description

A research opportunity is available in our R&D (Mycology and Microbiology) Division for individuals seeking to gain experience in the field of Mycology research. For qualified, motivated applicants, this position offers exposure to classical and molecular taxonomy. Depending on qualifications and experience, this may include but is not limited to, opportunities to provide supervised assistance in areas such as:

1. Fungal taxonomy
2. Handling the cultures of different species of macro- and micro-fungi
3. Could be actively engaged in ongoing projects
4. Exposure to applied mycology
5. Data management, analysis, and report preparation

The candidate would require a total of 42 hours per week for the duration of this engagement. The daily work schedule would be based on our needs. The candidate will work under the direct supervision of a Senior Scientist in the R&D (Mycology and Microbiology) Division.

### Minimum Position Requirements

Project Scientist: *Ph.D. in macrofungal taxonomy*

or

Project Associate: *M.Sc. in Botany with specialization in macrofungal taxonomy*
