Dear Professor,

We are an established company with over 30 years in operation, in supplying Scientific, Life Science, and Biotechnology products. The activities include presales, after sales & application support activities throughout the country. We have installed our systems in various reputed Universities, Institutes & Pharma companies.

We require candidates with Master's Degrees in Science for our ongoing operation based in various locations viz Chennai, Bangalore, Hyderabad, Mumbai & Delhi.

It is field oriented job with extensive travelling, and we are looking for Male Candidates.

We request you circulate this information to your students who would be interested.

They can forward their resume to hr@labmateasia.com

Thank you

Yours faithfully

For Labmate (Asia) Pvt. Ltd.
